What will the beginning farmer receive?

- A three-year lease rather than a year-to-year lease.
- Up to a \$500 tax credit reimbursement for an approved financial management course.
- Plus, the beginning farmer may apply for the Personal Property Tax Exemption.

What is the tax credit for the asset owner?

An eligible asset owner will receive a refundable tax credit equal to 10% of the cash rent, or 15% of the value of the share crop rent received each year for three years.

Examples:

Cash Rent:

100 acres × \$280/acre = \$28,000
\$28,000 × 10% = \$2,800/year tax credit
\$2,800 × 3 years = **\$8,400 total tax credits**

Share Crop Rent:

100 acres × 200 bu/acre = 20,000 bu
20,000 bu × 50% (owner's share)=10,000 bu
10,000 bu × \$3.50/bu = \$35,000
\$35,000 × 15% = \$5,250/year tax credit
\$5,250 × 3 years = **\$15,750 total tax credits**

Asset Owner Eligibility Requirements

- An asset owner must be an individual(s) or a trustee, a partnership, corporation, limited liability company, or other business entity having an ownership interest in an agricultural asset located within the state of Nebraska, who is eligible to receive a Nebraska tax credit.
- Minimum of a three-year lease required.
- Close relatives are eligible to receive a tax credit if the parties attend a training session on succession planning and the rental asset is included in a written succession plan.

Beginning Farmer or Rancher Eligibility Requirements

- Is a Nebraska resident.
- Has farmed or ranched for less than ten of the last fifteen years.
- Has less than \$200,000 net worth (adjusted annually for inflation/deflation).
- Will provide the majority of the day-to-day physical labor and management.
- Plans to farm or ranch full time.
- Has farming or ranching experience or education.
- Has participated in an approved financial management course.
